Description :

Prsentation de l'diteurThe third edition of Terence Wades A Comprehensive Russian Grammar, newly updated and revised, offers the definitive guide to current Russian usage. Provides the most complete, accurate and authoritative English language reference grammar of Russian available on the market Includes up-to-date material from a wide range of literary and non-literary sources, including Russian government websites Features a comprehensive approach to grammar exposition Retains the accessible yet comprehensive coverage of the previous edition while adding updated examples and illustrations, as well as insights into several new developments in Russian language usage since the collapse of the Soviet Union in 1991 Revue de presse"When Scottish scholar of the Russian language Wade (19302005) died, he was well advanced in plans but not actual work to update the grammar that had been highly successful in its 1992 and 2000 editions. David Gillespie (Russian, U. of Bath) took up the task, choosing not to try to guess what

innovations Wade had in mind. Instead, he consolidated and added a few new sections, careful to preserve what he believes to be already the best Russian grammar available. Beginning with an explanation of the Cyrillic alphabet and pronunciation, it works through all the parts of speech to word order." (Reference and Research Book News, February 2011) Presentation de l'diteurThe third edition of Terence Wades A Comprehensive Russian Grammar, newly updated and revised, offers the definitive guide to current Russian usage.
