Description :

Prsentation de l'diteurTatjana Sandberg lives the "a-ha"- experience in the fullest sense of the word!Through a crisis in her marriage, largely due to an unfulfilled wish for a child, she embarks on an adventurous journey to Oslo with her best friend Katrin, her true accomplice ever since their childhood, always ready for good fun.The two women in their midthirties drive to Oslo in a 70's style mobile-home of Katrin's parents, to see the solo-concert of a-ha frontman, Morten Harket.Neither Tatjana herself, nor her husband Lars would have thought that this trip would bring a fulfillment of Tatjana's most cherished teenage dream...many things happen and Norway will definitely remain in Tatjana's memories, forever. This novel is for all those women out there who need some adventure to be able to feel themselves free again and wouldn't want to think constantly about how many wrinkles or grey hair they already have. For exactly these women in their midlife-crisis are just so enticing like never before in their life...Prsentation de l'diteurTatjana Sandberg lives the "a-ha"- experience in the fullest sense of the word!Through a crisis in her marriage, largely due to an unfulfilled wish for a child, she embarks on an adventurous journey to Oslo with her best friend Katrin, her true accomplice ever since their childhood, always ready for good fun.The two women in their midthirties
