Description :

Prsentation de l'diteurThey are young, they are ambitious, and they are on a business training seminar on a tropical island when the phones stop working. The electricity is gone. There is not much food and water. Has some kind of global catastrophe happened, or is this part of the training? And if it isnt an exercise, will anyone escape the island alive? Rupert Morgans satire of business and capitalism keeps you laughing as the comedy gets progressively darker.Prsentation de l'diteurThey are young, they are ambitious, and they are on a business training seminar on a tropical island when the phones stop working.
