## Description :

Prsentation de l'diteurTHE LITTLE GOLD GRAMMAR BOOK is based on a simple but powerful observation: Individuals who develop outstanding grammar skills do so primarily by mastering a limited number of the most important grammar rules, which they use over and over again. What are these recurring rules? The answer to this question is the basis of this book. In addition to covering the basics of grammar,

diction, and idioms, this book contains a 100-question grammar quiz, a collection of 50-plus word pairings (diction), a compilation of 200 idioms, and 30 multiple-choice problems to integrate key concepts. Special sections cover editing tips and punctuation, American English versus British English, and traditional writing versus digital writing.

For Grammar Aficionados from All Walks of Life! There's no need to fear the grammar goblin. Whether you're a high school or college student, test-prep candidate, or working professional, this guidebook offers a review of grammar that is both relevant and distilled. A wealth of examples, charts, and engaging exercises makes *The Little Gold Grammar Book* an invaluable guide for anyone who wants to master those skills that will make a good writer even better.
