Two of his most famous pieces are the Utopian satire Erewhon and a semi-autobiographical novel published posthumously, The Way of All Flesh. He is also known for examining Christian orthodoxy, substantive studies of evolutionary thought, studies of Italian art, and works of literary history and criticism. Butler also made prose translations of the Iliad and Odyssey which remain in use to this day. Butler never married, although he did for years make regular weekly visits to a prostitute, Lucie

Dumas.
